

PERMISSION TO RECORD AUDITIONS

I, the undersigned, hereby hold harmless and grant permission to Pigboat Productions, and to the members thereof, to record my image and voice for the auditions for the film Life at Grandpa's, and to duplicate and distribute these recordings in future productions and promotions, on any form of media, across the entire universe.

I also agree to release any and all claims to the video and audio recordings made of me, and any production in which these recordings are used, regardless of the format they are released on. The Producer shall be the sole copyright owner of all video and audio recordings made of me, as well as any still images taken while in association with the Film.
